

Kingston Chapter 1010 Profile

Introduction

Kingston Royal Arch Chapter enjoys a unique ritual in the Province of Yorkshire North and East Ridings. It was founded in 1870.

A small but friendly Chapter, it maintains the values and standards of Freemasonry: Integrity, Charity and Respect.

It enjoys a diverse membership, young and old, and all members are encouraged to take office and to progress in the culmination of the Craft degrees. Its Companions are from various Lodges, some distant from the City of Hull.

We encourage all our members to attend the regular Chapter meetings if their situations allow.

There is no Exaltation fee, but annual subscriptions are required, and of course, payment for the Festive Board. The Chapter enjoys the services of a first-class chef.

Meetings

We meet four times a year on the third Wednesday in the months of January, March, October and December at the Masonic Hall, 69 Beverley Road, Hull HU3 1XL. Meetings begin at 6.30 pm except in March (Installation) when we start earlier.

The March meeting marks the Chapter's new Masonic year with the installation of three new Principals, Z, H & J and other Chapter Officers

There is a formal but friendly festive board in the dining room after each meeting.

The dress code is dark suit or morning dress, white shirt, black, Provincial or SGC tie, black shoes, white gloves and regalia.

Social functions are often shared with other Chapters and Lodges meeting at Beverley Road.
